

MFP Circular 1

22 December 2025

**To Whom it May Concern**

**Subject: Registration of Service Providers to Vessels Operating within Maharani Freeport (Muar Port Limits)**

Please be informed that Muar Port has recently been gazetted as part of Maharani Freeport, which is effective from 28 November 2025. This is aimed at enhancing trade and commerce and other related marine activities within Muar Port and the Maharani Freeport as a whole.

In view of this, it is now a requirement and with immediate effect for all vessels operating within Muar Port waters to be served only by vendors or companies registered with Maharani Freeport. Therefore, all service providers shall be required to register with Maharani Freeport Authority before providing any services to vessels operating within the port. This includes designated vendors for vessels already operating in Muar Port waters.

This registration process is essential to ensure compliance and to facilitate smooth logistics supplies and services to vessels. The vendor application form is attached (**Form MFP V1**).

Please be further informed that service providers or companies that are not registered with Maharani Freeport will not be allowed access to deliver the services. In this case, vessels may instead arrange supplies and services from companies already registered.

Should you have any questions or require further clarification regarding the registration process, please do not hesitate to contact us via email to [info@maharanifreeport.com](mailto:info@maharanifreeport.com).

Thank you.

Maharani Freeport Authority
